

# SUDHARSAN

Student

## PROFILE

Aspiring full-stack developer and Computer Science Engineering major at Anna University, Tirunelveli. Proficient in frontend technologies like JavaScript, and HTML/CSS, coupled with a basic understanding of backend frameworks such as Node.js and Express. Applied these technologies across academic and personal web projects, emphasizing comprehensive web development. Driven by crafting user-centric applications, I'm keen to refine my skills and engage in impactful tech ventures.
